

Instrument for the spouses of injured divers

1. General information about the interviewees.
2. Are you aware of the lawsuit that the Buzos Miquitos won against the State of Honduras? Explain if it is being complied with.
3. Do you feel that your human rights have been violated because your responsibility and workload have been increased by the illness of your housemate? How do you see your family after the accident? Have the children been affected?
4. Are you aware of the UN Guiding Principles on Business and Human Rights¹? Do you know the three pillars, and can you explain them?
5. Was anyone responsible for the health and compensation costs after your spouse's accident?
6. Did your spouse tell stories about Iliwa Mairin and Praidey Saihka, and how that affected the diving work? Did your spouse also talk about other beliefs involved in diving activities?
7. Can you tell me if your spouse's human rights were affected when the accident occurred? When was your spouse referred to the hyperbaric chamber, did anyone accompany your spouse and pay the costs? Was a case file kept at the labour department?
8. Did you and your spouse and the children receive support, funding for all treatment and compensation? Assess degree of satisfaction.
9. What recommendation would you give us to prevent further accidents related to industrial spearfishing?
